Dear Konrad,

Apart from being the Programme Director of YTL Foundation she is also the Group Legal Counsel of YTL Corporation Berhad.

In our opinion she is the one you should be getting in touch with as she heads the Legal Department and YTL Foundation and is also one of the main people leading the education initiatives in YTL.

It would be good for you to drop her an email [REDACTED] S40(2) and explain further about [REDACTED] S43(2)
[REDACTED] Perhaps she will suggest that you meet someone else in her team in her absence.

As for Astro's meeting I am still waiting for a response. I will keep you posted.

Thank you and kind regards,

Hi [REDACTED] S40(2) thanks for this, unfortunate that she is not available but good that we may be able to meet her in the UK sometime.

I wonder, however, if she would be the right person to talk to – do you know if she looks after learning and development for YTL corporation or is there someone else we can get in contact with?

Kind regards,
Konrad

Dear Konrad,

Please see email below from **Datin Kathleen Chew, Programme Director of YTL Foundation** with regards to the meeting request.

Perhaps you can schedule a meeting in Oxford instead as she is very keen to meet you when she is back in the UK.

Kind regards,

[REDACTED] 540(2)

I would be happy to meet them but will not be here on 4th May. I will be away that whole week. I can perhaps meet them in Oxford later in May or June as I am in the U.K. quite often.

Kathleen

Dear Datin Kathleen Chew,

Greetings from the British High Commission

I am [REDACTED] and I work for the Department for International Trade here at the British High Commission 543(2) in Kuala Lumpur. I am currently assisting UK-base [REDACTED] who are looking to expand their partnerships with Malaysian companies to support the professional development of their employees and work alongside companies to ensure that organizational needs drive the design and development of the program.

[REDACTED] has earned the esteemed ranking of #1 in the UK for executive education and #9 worldwide. They work with over 40 organizations from all over the world (Japan, UAE, Malaysia, Germany) and programs have been delivered to clients such as BMW, Rolls-Royce, and Atkins.

The [REDACTED] will be travelling to Malaysia during the week of 2nd May. Konrad Mould, Market Development Manager, is helping to facilitate the University's partnerships in the Malaysia and would be interested in speaking to YTL about their learning and training goals.

Would you be available for a meeting on Thursday 4th May in the afternoon? Looking forward to hearing from you.

Best regards,
